AgriTEAM Innovator

Ignite and accelerate AgriTech innovation.
For Ireland's AgriTech SMEs who want to fast-track their innovation ideas.

A collaborative approach with a facilitated pathway to innovate new product and process ideas.

This programme offers:

- Structured 1-2-1 and team workshops.
- Opportunity to develop and validate ideas for R&D projects.
- Matching funding supports to projects.
- Using best practice tools and technologies.
- Project proposal writing.
